Our cheque in respect of the required extension fee is enclosed.

In the Decision dated May 4, 2004, it was stated that the Declaration previously submitted and signed by seven of the eight inventors on behalf of the non-signing inventor, Diane M. 2. Declaration and Power of Attorney executed by the inventor Rovinski on behalf of Diane M. Gajewczyk; and

None of these documents contains any alterations. Having regard to the enclosures hereto, it is submitted that this application now can proceed pursuant to 37 CFR 1.47(a) in the absence of a Declaration or Oath signed by Diane M. Gajewczyk.

Respectfully submitted,
